

COLLIN COUNTY COMMUNITY COLLEGE HONORS BOWNESS SCHOLARSHIP

WILBOW, DEVELOPER OF MCKINNEY'S CHAPEL HILL, DONATES SCHOLARSHIP

A scholarship donated to Collin County Community College by Bill Bowness, Chairman and CEO of Wilbow Corporation, was recently recognized and awarded to a deserving student at the Collin College Scholarship Awards Ceremony held August, 2007.

When Mr. Bowness was invited to initiate a guest speaker series at the Frisco campus for the real estate studies student body at Collin County Community College in Frisco last year, he was so impressed with the college and its students that he decided to gift the college with a scholarship. The generosity and support of Mr. Bowness came as an unexpected surprise to the college.

“We truly believe in supporting and giving back to the communities in which we develop residential neighborhoods, and are pleased to be able to gift this scholarship to an exceptional and growing college that serves Collin County students with insight and excellent academics,” Mr. Bowness explained.

Mr. Bowness has made a variety of contributions to the community over the past 25 years and has served on many community and trade boards. He is the current Chairman of the Monash Gallery of Art Committee of Management.

Currently, Wilbow is developing ten premier communities in the Metroplex area and one in Houston, including Chapel Hill in McKinney.
